

Fee and Fine Schedule for 2021-2022

Definitions:

Curricular: the planned interaction of students with instructional content, materials, resources, and processes for evaluating the attainment of educational objectives.

Extra-curricular: not falling within the scope of a regular curriculum specifically; semi officially approved and organized student activities connected with school and carrying no academic credit

Co-curricular: activities, programs, and learning experiences that complement, in some way, what students are learning in school—i.e., experiences that are connected to or mirror the academic curriculum
